

All the staff and governors would like to wish you
a very happy, and safe Christmas.

Alternative Provision

Some of our pupils have been part of our offsite Alternative Provision, helping groups in the community.

These include building planters for our local garden centre, 'Build a Boat', working with the police on hate crime, Cycling Proficiency and a community project.

There are also pupils attending the Fire Station project and others working with ELSA on community projects.

With ELSA the pupils raised an amazing £218 for the neonatal unit at Lister hospital and for our local residential care home for elderly people the pupils made gifts bags and organised a party.

An exciting time was had by a number of students during the chess championship which was run by Mrs. Swift. Concentration was acute, tension could be cut with a knife and many strategies were used to win a game ! The final is in the new year.
