

How to use Sam Learning

This is the link to use:

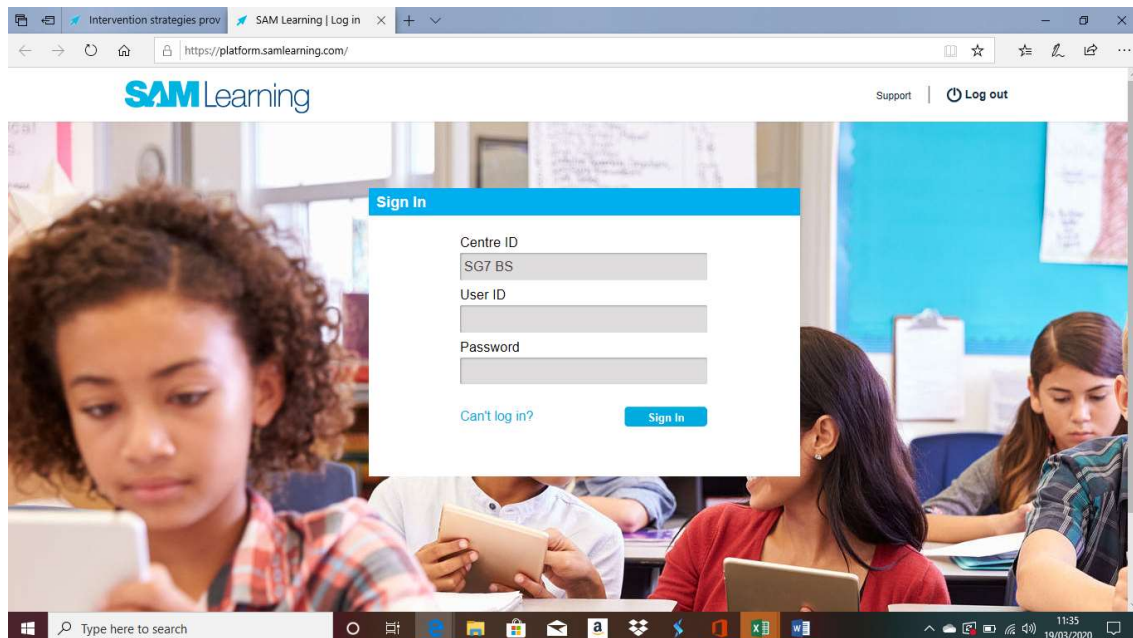

<https://www.samlearning.com/>

This can be used on Xboxes, Playstations, mobiles, tablets and computers.

In the top right corner, you will see a login in button. Click on this.

It will bring you to the following login page:

The centre ID is: SG7 BS

Your user ID is: date of birth followed by your initials in capitals; DDMMYY then first name and surname initial.

For example: Joe Smith born on the 1st of March 2005. His login will be: 010305JS

Your password is exactly the same as your username.

When you have logged in, you might have some tasks that have been assigned to you by your teacher. If not, you can explore the different subjects and complete different tasks/revision/tests yourself. You can even do this if you finish the tasks.

If you have any problems please email me:
